Would you like to feel better?

Anytime Fitness makes it easier by constantly increasing the number of clubs for you to train and hopefully a shorter travel time to get there be it before, after or during work hours, anytime, any day.

Anytime, Anywhere – We have more clubs than anyone else in Australia, with over 460 clubs, in fact you'll find us all over the world. With your Anytime Fitness membership you'll have access to all of them, so you can get your fitness fix wherever you are.

Safe and Secure 24/7 – We're open 24 hours a day, 7 days a week. Whether you decide to train at 5pm or 3am we make sure you're safe on-site. All clubs have

24 hour security monitoring and secure gym key access. They're also fitted with private bathrooms and changing rooms.

We'll keep you on track in and out of the gym – We put fitness at the heart of everything we do. It's why we introduced the app that lets people work out whether they are in the gym, on the training field, or in their own home.

500,000 hearts beat as one – If you put your heart into it, anything is possible. It's something we know to be true – we see it happen every day.
